**TO: SUPERVISOR AND BOARD OF TRUSTEES**  
**FROM: NELSON J. CANNON, CHIEF OF POLICE**  
**SUBJECT: ADMINISTRATIVE REPORT SINCE DECEMBER MEETING**  
**DATE: JANUARY 13, 2022**

## **NOTABLE EVENTS:**

**Snowmobile Patrols.** Conditions were not conducive for enforcement.

**Community Development Committee.** Recommend meetings begin in January.

**Taffeltown.** Owner scheduled a Public Open House/Meet & Greet; place looks great, event was very well attended with positive encouragement and feedback.

**KMHC.** November-December meetings were combined and held on December 7<sup>th</sup>; most noteworthy was our CEO's salary discussion. Kevin Rogols has been with KMHC for 8 years; and in that time he has successfully improved the health and quality of life of those we serve in every regard, not to mention his leadership during the Pandemic. When looking at comparable hospitals we were not competitive; the Board approved moving his base wage from the 22<sup>nd</sup> percentile to the 50<sup>th</sup> percentile. While this is well deserved and was overwhelmingly supported by Board, it was not unanimous. Hopefully this will help us retain our CEO.

**Senior Meal Site.** With power outage and sub-zero temperatures, the first meal served was Monday January 10<sup>th</sup>. Things can only get better from there.

**Parks Board.** No Regularly Scheduled Meeting due to holidays; we did try and have Zoom Meeting with Rick Knutsen regarding our Parks Grant, but could not get the connection to work. Because our project is relatively small and involves minimal construction, we feel there is no need for a protracted process and prefer an earlier start to the planning. We have invited him to our January 27<sup>th</sup> meeting to discuss further.
